

The Grant Writing Coaching School

Online and Face-to-face Services for Grant Writing

Grant writing can be a rewarding experience, especially when you see success turn ideas into reality. People in jobs they enjoy and helping the less fortunate, businesses expanding, buildings getting built. Anything is possible.

We offer a suite of training and development opportunities:

Get that Grant – Grant Winning Success Formula

6 part comprehensive training program

- Bonus Project Planning Tools
- Bonus Evaluation Skills
- 90 Days Support

Offered as **Online** (Six Modules, Self-paced) or **One-day Face-to-face Course**

Ninja Grant Writing MINDSET Program

Grant writing with a twist. Treat your funders as allies, work to their battle plans and add value to their campaigns. Put some fun into the process and change the way you approach grant writing forever.

Offered as **Self-paced Online**, **90-minute Live Online** or **Face-to-face Workshop**

Grant Writing for Beginners – The Art of Grants

Three part series to:

- Get ready for a grant
- Write a compelling grant application
- Manage your funded project

Offered as **3 x 2-hour Live Online** or **Face-to-face Workshops**

Project Management in a Box

One-day face to face workshop covering project management processes useful for planning and managing projects, funded or otherwise.

Offered as a **One-day Face-to-face Course**

Evaluating Community Projects

Strategies for planning and implementing ways to prove your success, learn for the future, and how to use this evidence to get more funding or to lobby for change.

Offered as **Half-day course** (Online or Face-face) or **One-day Face-to-face** (Longer Version)

Creating a Business Case for your Next Project

Turn those sparks of ideas into powerhouse plans that converts the dream into reality. This one-day program combines developing a business case with entrepreneurial thinking and motivation to change the world one community at a time.

Offered as a **One-day Intensive Face-to-face Course**

Planning and Managing Partnership Projects

Working with project partners can be rewarding and challenging at the same time. Bringing complimentary skills sets and networks to the table on the one hand, different cultures and systems on the other. How do you plan for success?

Offered as a **One-day Face-to-face Course**
